**Enlisted Guardians: Our Legacy, Our Future**

The oil painting has been reproduced as a Limited Edition, 25 x 14 inch, full color print. Only 2,000 prints are being produced, and each one is sequentially numbered, signed by the artist, and comes with a Certificate of Authenticity.

The Militia Solder and early American flag reflect our roots dating back to when the first regiments of the Massachusetts Bay Colony were established. Pennsylvania National Guard Soldiers and Airmen served as models for the artist and represent the diversity, skills, and professionalism of the men and women who make up our enlisted force across all 54 States, Territories and the District of Columbia. EANGUS is proud to introduce this portrait which we believe embodies the character and spirit of all enlisted personnel who have served in the National Guard since its founding in 1636.
