Enlisted Association of the National Guard of the United States

Professional Association

Professionals belong to the professional associations EANGUS provides opportunities for professional development several times each year in order to assist our members understanding how the government-works and the role of EANGUS plays in the legislative process. Additionally, these events give National Guard Service Members the opportunity to hear current information from Senior Military and government leaders on a variety of topics.

Financial Assistance

EANGUS is dedicated to ensure the National Guard community has somewhere to turn when they are in financial crisis. USAA and EANGUS We Care For America (WCFA) have teamed up to help National Guard members and families in need. EANGUS offers grants and interest Free Loans that are there to support the community.

Insurance

As a member of EANGUS, you have access to a variety of plans and discounts to help protect your hard earned assets and save money on many types of expenses.

Scholarship

EANGUS awards full-ride and partial scholarships from various University Platinum partners, corporate partner sponsorships, and personal donations.

News & Publications

EANGUS membership includes a subscription to the quarterly New Patriot Magazine, a weekly Minuteman Update as well as other educations and useful information.

Programs

EANGUS provides Employment Resources, Partner Organization Discounts, Fitness Challenges, and Travel Opportunities and discounts as well as a complimentary membership to the Association of the United States Army (AUSA).

Legislation

Through State and Federal Legislation, EANGUS focuses on improving readiness, quality of life and benefits specifically for the National Guard enlisted members; something no other professional military association does.
